Building 5, Zhongtayuan Community, Haidian District, Beijing 100142

EDUCATION

Beijing University of Technology (BJUT)   Sep. 2019-Jun. 2023

- **Bachelor of Engineering** in Internet of Things Engineering   Expected, Jun. 2023
- **GPA**: 3.45/4.2
- **Awards**:
  - ➢ Prize for Exceptional Studies in AY 2021-2022 by BJUT
  - ➢ Scholarship for Comprehensive Performance in Fall Term of AY 2021-2022 by Beijing-Dublin International College, BJUT

RESEARCH PROJECT

Demonstration System for Data Sharing based on Blockchain   Mar. 2021-Mar. 2022

Advised by Prof. Guan Wang, BJUT

- Learned about the blockchain-related technologies and further promoted my knowledge in Python
- Participated in developing a blockchain system which included functions of adding block to the chain, data broadcasting, encryption, etc through Python
- Took charge of communicating with advisor on behalf of our team to improve the efficiency and quality of the project, which developed my communication skills and problem-solving ability

INTERNSHIP EXPERIENCES

China Institute of Film Science and Technology   *Beijing, China*

Intern Engineer   Oct. 2022-Dec. 2022

- Learned about the knowledge related to AI including GAN as well as the application of deep learning in the field of film-making through reading relevant articles and working with supervisor
- Participated in working on project of High-tech Format Film Intelligentize Making Technology based on Deep Learning

State Key Laboratory of Communication Content Cognition, People's Daily   *Beijing, China*

Researcher   Jul. 2022-Oct. 2022

- Learned about the knowledge and models related to deep learning & NLP and reproduced code of the model
- Participated in constructing data set for training model through data crawler and data processing

EXTRACURRICULUM ACTIVITY

Member, Stray Animal Protection Association   Dec. 2019-Jun. 2022

- Took charge of rescuing stray animals such as cat and god and providing these animals with food and place to live
- Undertook donation and adoption check for animals as well

SKILLS & OTHER

- **Computer Skills**: C/C++, JAVA, Python, HTML, JavaScript, etc.
- **Hobbies**: Ball games(basketball, football, badminton), Skateboarding, Financial investment, etc.
